Ownership and all information in this report pertaining to Non-Land Registration Parcels is believed to be an accurate reflection of registered documents affecting the lot, parcel or area of land to which it relates, however, it is not intended to be relied upon by the reader as advice on the current state of any title to land. A search of the records at the appropriate Registry of Deeds office may be required to determine the current owner(s) of the lot, parcel or area of land under consideration. THIS IS NOT AN OFFICIAL RECORD.
